

ADDITIONAL FEES:

Additional charges of £2.50 per day for any cooked lunches that are required. These are booked with the school office and paid for through our Arbor parent portal.

Parents are asked to provide any required nappies, wipes, and creams.

Training days and bank holidays are not charged. If for any reason the Nursery has to close, parents will not be charged if they would normally be charged for that session.

We do not generally charge for additional activities or sessions run by the Nursery, but on the very odd occasion we may run a chargeable trip, parents will be informed by letter.

St Michael's School Nursery does not enforce the wearing of school uniform for children but School logo sweatshirts are available if desired, £7.60.

There is no additional charge for enhancements where a child has SEND.
